

My approach is to have the student become an active participant in the learning process. That he or she can be the source of their development when coached in feeling distinctions in the swing rather than be instructed to do the latest information.

What I have found to be true over the years is that coaching students into becoming more aware of their swing is what really makes the difference.

I use video, knowledge as a certified club fitter, my competitive experience as a player in local PGA events, my inner game and coaching skills to help students focus on fundamentals and distinctions that last a life time.

On behalf of the Teachers/Certified Club Fitters here at Santa Teresa Golf Club we welcome you to "The South Bay's Best Place to Learn to Play Golf."

Our Mission Statement

Our mission is to create the finest, the most exciting and enjoyable learning environment for golfers of all ages and abilities. With our family of instructors and certified fitters, our goal is to support all golfers in becoming more aware of what works in a golf swing and how equipment can effect motion. Our non-judgmental approach to learning opens up new possibilities for more enjoyment and satisfaction in playing this great game of golf.

CLUBS TO COURSE

Don't own Clubs? Never played before? Just learning the game? No Problem!

This program runs for three Saturdays from 10:00am—12:00 noon. We will explore the basic fundamentals of putting, short game and the full swing. Our goal is to get you ready for an enjoyable round of golf. To top it all off, Santa Teresa Golf Club will be supplying equipment for the entire 2 weeks. By having golf equipment in your possession between classes, you can accelerate the learning process and expedite your trip to the 1st tee.

Saturdays

Time: 10:00am - 12:00 Noon

Cost: \$159.00 per Student

A maximum number of students is 8 per session.
